

Mrs. Tiedemann Pre-Kindergarten Class

Hello Pre-K Parents,

Can you believe there are only 5 weeks left of school? April and May will be extremely busy months for us and I would ask you to have your students here every day that they can be. I don't want anyone to miss out.

The last three units of the year are: Farm and City, Butterflies, and Kinder Ready.

With our Farm and City unit we have eggs in the classroom to hatch. Students are not going to be able to touch the eggs but we will be tracking the 21 day fertilized eggs in hopes to have some chicks by May. We will be finishing this unit with a fieldtrip to the Weisman Family Farm, May 3rd.

The following calendars are for the rest of April and all of May. These calendars will be very full and I'm sure there will be more things to be added. Thank you for being flexible and present.

If you have any questions for me, please don't hesitate to call or text. (907)202-6390.

Mrs. Tiedemann ☺
