FYI

Thanks to a grant awarded to our class by the Valley Quilters Guild, our classroom will have a project on display at this year's state fair. To get a peek at the class project, come to the student showcase on Tuesday, May 2, at 5:30 pm.

Notes from the teacher:

√ As we work toward the close of this school year, I have to again tell you what a pleasure it has been to be in your student's life. This class of kids shares a unique bond. We are family, and we genuinely care for each other. Although goodbyes can be tough, we can look back fondly on this year and remember some great experiences. Again, thank you for all of your support during this year, and I look forward to the successes your student will have in their coming years at Sterling Elementary. ♥

PEAKS Testing

Big congratulations to the third graders for making it through their first state test! They faced the challenge with great determination.
