

Mrs. Montgomery's Monthly Class Newsletter

Spelling Tests

Your child will receive a list of words on Monday and will be tested on those words on Friday. If your child has a list of words with the top portion crossed out and the sight word section circled, those are their spelling words for the week. There will be times when we will not have spelling tests but I will let you know via Remind.

Remind

If you are not currently receiving class notifications through Remind, I have included an instruction sheet on how to sign up to join our group. I am the only one who has access to phone numbers and email addresses. You are able to respond to me directly with any questions or concerns.

Social Studies/Science/Health/Computer Lab Rotations start this week. Mrs. Smith will be teaching Social Studies, Mrs. King will be teaching Science, I will be teaching Health and Ms. Duval will be teaching skills in the Computer Lab.

Respect

We are working on being good listeners when others are talking. Thank you for checking with your child to see if they are showing respect to others. We are also working on walking quietly in the hallway instead of visiting with our friends in line. Thank you for your help in these areas!

Points of interest:

- We have Library on Fridays
- Thank you for providing snacks!
- Spelling tests are a review of sounds so the first few tests may seem easy. However, there are also going to be tests with challenge words and some students will have sight words for their list.
- Throughout the year, as time permits, we will have reading buddies with Ms. Olson's 4th/5th Grade Class.
- If you are able to, please save and send in empty egg cartons. These will be used for a Halloween Art project in October. Thank you!
- Communication is so important! If you ever have any questions/comments or concerns, please contact me! If you are not signed up for Remind, you can call the school @ 262-4944 or email me - smontgomery@kpbsd.k12.ak.us. Thank you!
