

August 28th, 2017

Welcome to Kindergarten!!

We have really enjoyed our first few days of school. It has been wonderful getting to know all of your children. There are some things I'd like you to know and be ready for in time for next week!

If you are able to send in a non-disposable water bottle with your child's name on it to stay at school, that would be great! Students keep their water bottles on the counter by the sink, but will be able to get drinks of water during transitions and snack time. I will wash these bottles every Friday.

Also, if you are able to donate a snack item to our class that would be helpful. I provided snack during the first week of school, and we are almost out. Thank you in advance!

Lastly, usually student mail and important information will go out in a red Monday folder. Please make sure to return these folders to school by Friday so that they are ready to go out again in time.

I would like you to know the information below about our kindergarten "Color Weeks" where students can dress in the color of the day. We will kick this fun off on Tuesday by wearing blue! Please help and encourage your child to participate.

| Date | Day | Color |
|--------|-----------|---------------------|
| 29-Aug | Tuesday | Blue Day |
| 30-Aug | Wednesday | Yellow Day |
| 31-Aug | Thursday | Orange Day |
| 1-Sep | Friday | Red Day |
| 5-Sep | Tuesday | Purple or Brown Day |
| 6-Sep | Wednesday | Green Day |
| 7-Sep | Thursday | Pink or Black Day |
| 8-Sep | Friday | Favorite Color Day |

Thank you for entrusting your babies to me. Everyday students are adjusting to what school looks like and sounds like including: sitting in a group, working with classroom materials, following directions, lining up, music, P.E, and adjusting to the length of the day. These little everyday things are so big to them! Please make sure that they are getting lots of rest.

Watch for your student's red Monday folder with more important information about our class and school.

Sincerely,

Mrs. Smith
