

Ms. Olson's 4th and 5th Grade Class

JANUARY NEWSLETTER

Important Dates

1/15 Martin Luther King Jr. Day, No school

1/22 Report cards will be sent home

This month...

Welcome back! I hope you all had a relaxing break with family and friends. I can't believe the school year is already halfway over. We're going to jump right back in and continue to learn! Before break, students presented their passion projects. It was a great chance for students to do some research on topics that interest them. I really enjoyed learning about their interests. With passion projects completed, we will be using that time to focus more on science.

4th Graders

Science: What are Some Clues that Earth's Surface Changes?

Social Studies: The Nation's Economy

Health: Be Cool, Be Clean
Digital Citizenship Pledge

Language Arts: Changing final y to i, words with short and long e, words with /k/, /ng/, and /kw/

Writing: Argument Opinion

5th Graders

Science: What are Earth's Four Systems?

Social Studies: Settlements Take Root, Life in the Colonies

Health: You are What You Eat, Love Your Lungs

Common Sense Media: Selling Stereotypes
