

Mrs. Tiedemann Pre-Kindergarten Class

Hello Pre-K Parents,

We are mid-way through February already, if you can believe it! We have been extremely busy already this quarter. We have done a Hawaii Unit and an Indoor Movement Unit. Thank you to those parents who helped make our carnival basket wonderful and those who were able to come to our carnival. We appreciate your support at the school.

To finish out this quarter we are doing a Construction Unit. Students will have access to hammers, screw drivers and many other tools during this unit. If you have any safety gear or tools you would like to send in for your child to use, please send them in and we will keep them safe. **Please put names on each tool you send in.**

If you have any questions for me, please don't hesitate to contact me on Remind.
Mrs. Tiedemann ☺

Winter Gear

This winter has been an interesting one but it is still not over. Please dress your children appropriately; hats, gloves, snow pants, coats and boots. If you would like to leave a set of gear in the classroom you are very welcome to. If, for any reason, you are unable to provide the gear please let me know and I can help.
