

## JANUARY NEWS FROM THE THIRD GRADE

## CLASS CARNIVAL BASKET

Every year the PTA Carnival raffles themed baskets to raise funds for the PTA. All classrooms participate by donating items to the basket. This year our theme is **gardening**. If you have any items to donate to the gardening theme, please send them with your student or drop them off at the main office.

## 100<sup>th</sup> Day of School

Every year students around the United States look forward to the 100<sup>th</sup> day of school. This year is no different, and our third grade class will celebrate with the other classes in the primary wing. I am giving your student an option for our celebration. Your student can either dress like they are 100 years old, or bring a collection of 100 items to display (such as pennies, buttons, army guys, etc.).

Thursday, February 1<sup>st</sup> is the 100<sup>th</sup> day, and the celebration will happen during the morning.

## THANK YOU!!

I just want to offer a huge thank you to you for all the work you do with your student during the school year. It takes a team effort to allow the students to grow over time. I look forward to our parent conferences, and a discussion about your student's progress. Please remember that if you ever have questions or concerns I am available for a chat. There are two ways to contact me: email or phone. Either email me at: [jgottfried@kpbsd.org](mailto:jgottfried@kpbsd.org) or call the school at 907-262-4944. If I cannot speak with you when you call, I will get a message from Ms. Debbie. Have a great week!

Mrs. Julie Gottfried

## UPCOMING DATES:

- February 7, Early Release
- Feb 8-9, No School for Parent Conferences
- February 9, PTA Carnival
- February 14, Valentine's Day
