10/31 Halloween - details about class celebration to come

This Month...

Thank you to everyone that has brought in a snack for the class or vegetables for the guinea pigs. It is very appreciated, and the pigs are getting very spoiled! 😊 Our field trip to Exit Glacier went very well. Thank you to all of the parents that were able to join us. We're already nearing the end of the first quarter. Parent teacher conferences will be held November 1st and 4th. Keep an eye out for information regarding time in Monday Folders.

Personalized Learning Spotlight

Our class has been working on goal setting and reflecting. Students have been setting new goals for the week each Monday. The following Monday, they take their goals down and reflect on what went well, what they could have done better, and decide if they are ready to make a new goal or try again with the previous one. Next time you're in the classroom take a moment to read our goals on the Goal Getters bulletin board!

What We're Learning:

3rd Graders Social Studies: Our communities and our environment Health: Safe at Home, Safe Away Language Arts: Plural nouns, what is a verb?, verb tenses, commas in a series, and simple subjects and predicates	4th Graders Social Studies: Americans and their history Health: Community Safety Language Arts: Nouns, verbs, simple verb tenses, conjunctions, and commas
