A Note From Mrs. Blake:

I look forward to visiting with you all at conferences on the 17th. Your children are a joy to work with and it will be nice to share some information with you! I am grateful for your support. It is hard to believe it is already February! Information about our Valentine's party came home in the Monday folders. ☺

Upcoming Highlights:

Our class will have a Valentine's Day Party Thursday, February 13th. A list of student names came home in the Monday folders. I will attach it again to this letter. Any snacks you would want to send in for the class to enjoy will be appreciated.

Buddies:

Last week the 3rd and 4th graders helped their Kindergarten and 1st grade buddies make groundhog hats to prepare for Groundhog Day February 2nd.

Classroom Information:

- ❖ **Classroom Wish List* We could use any kid puzzles you would be willing to share for our puzzle table. They can be sent back home afterward. Please put your name on them if you want them returned. Thank you!*
- ❖ *We are getting excited for our field trip March 2nd. If you are able to drive please let me know, we could use one more driver. Students need to dress very warm for the day. If they don't have boots and snowpants the rangers will not allow them to go out snowshoeing. **THANK YOU!***
- ❖ *If your child brings Valentines to school, please make sure they include each student listed on the back of this page.*

Dates to Remember:

February 12th
Forensics 1:00 pm in the library

February 13th
Class Valentine's Party
2:15-2:45

March 2nd
Kenai Wildlife Refuge
Animals in Winter Field Trip
TIME FRAME:
