

3rd/4th Grade News

Room 163

1/7/20

A Note From Mrs. Blake:

Happy New Year! I know we will have a wonderful second semester! ☺

"Write it on your heart that every day is the best day in the year."

Ralph Waldo Emerson

Highlight From December:

- We had a fun time having exchanging Christmas cards, and having hot cocoa with our K/1 Buddies the last week of school before our break.

Classroom Information:

- ❖ We hope to have a field trip in February or March to the Kenai National Wildlife Refuge in Soldotna. This would be a lesson called *Wildlife in Winter*, a program which includes snowshoeing. As soon as I have the date, I will send out a Remind message.
- ❖ Students have been enjoying our Mind Up lessons. Last semester some of the interesting lessons were Mindful Listening, Mindful Seeing, Mindful Smelling, and even Mindful Tasting. ☺
- ❖ If you are able to write your child's name in their snowpants and gloves that would be helpful. They sometimes go missing and with this cold weather we want to make sure everyone is well covered. If you give me permission, I can write names in for them at school if needed.
Thank you!

Dates to Remember:

January 9th
PTO Meeting

January 15th
Early Release Day

January 20th
Report Cards Sent Home

Great Kindness Challenge Week
January 27th - 31st

February 14th No School for
Students - In-service

February 17th No School
Parent/Teacher Conferences
