2/19 Early Release students released 90 minutes early

2/28 PTO Carnival

2/29 District Forensics Match for qualifying students at Tustumena

This month...

Last month students chose Forensics pieces and a copy was sent home in Monday Folders. Students need to be practicing their pieces every day to be prepared for our class competition. They will have time to practice in class each day, but for those that are memorizing their pieces, this likely won't be enough time. We also need volunteers to be a judge for our school competition on February 12th. The competition will likely last an hour. Please let me know if you're interested in volunteering your time.

On the 13th, we will have a Valentine's Day celebration. Students are welcome to bring cards or a treat to share with the class. If students do bring in something, please make sure there are enough for each student. There is a class list on the back of this newsletter.

What We're Learning:

3rd Graders Social Studies: Communities Build a Nation Health: My Family, Your Family Language Arts: Irregular verbs, adverbs, making comparisons	4th Graders Social Studies: The Southeast Region of the United States Health: Be Cool, Be Clean Language Arts: Relative pronouns, adverbs, abbreviations, adjectives, and negatives
All Students Writing: Argument/Opinion Science: Power of Flowers - plant life cycle and heredity continued Passion Projects: Student research projects on a topic of their choice
